

Congratulations to our 2022-2023 Be The One™ Ambassador Winner!

The Common Ground Society Board would like to acknowledge:

NATALIE KETCHU

Whereas, Natalie pledged to Be the One™ and pushed past feelings of discomfort and fear to say HELLO and get to know someone they perceive as different.

Whereas, Natalie invites others to join in and offer their help if needed.

Whereas Natalie “stands out” and has a kind heart

Whereas, Natalie “is the first one to help her friends and make good choices and Be The One™”

Whereas, “It is a natural, loving, accepting, and core part of Natalie to include, accept, love, and stand up for all of her peers- regardless of their developmental similarities and differences.”

Natalie Ketchu naturally recognizes the inherent value that every individual possesses and finds immense joy in discovering the strength in our diversity.

Thank you Natalie for your continued support of our community.
